Meeting called to order at 8:45pm. Richard made motion to dispense of reading of both financial reports and of last business meeting, seconded by Keaton. All were in favor.

Old business: Tender 2: Tender 2 is in for repairs at Stainless. Chief explained the work that is to be done on vehicle. Discussion.

Smokey Bear sign: Sign is up on Town property on 64. Pam Dudeck volunteered to change sign when needed to be. Chief, Jerry and Tyler volunteered to assist Pam when she needs a break. Chief will get some locks for sign. Discussion.

Training: Chief told all the training members are taking or soon will be taking.

Past calls: The church fire was discussed at length. Found gravel in pump on Engine 2 from Holtger pond. Need to do something so it doesn't happen again. Maybe drain pond and flush out pipe.

Truck checks: Reminder to lower front suction hose to ground before opening hood during inspections, as the hood is getting scratched.

2011 DNR grant: Grant is done but am waiting for reimbursement from DNR.

New business: Responses: When responding to an emergency, remember to fasten seat belts and stop at all stop signs. Be careful at all times. Use common sense.

MABAS: Update and discussion. We need to get working on this and use it at all fire calls. Our call number is 2100. Each first unit in each type of vehicle will be 11 and the second unit, if there is one, will be 12. Example: Engine 2111 and 2112. Tender 2111 and 2112. Rescue 2111 and brush 2111.

NIMS: Reminder of the NIMS refresher class coming soon at our department.
