

Brazeau Ambulance Monthly Minutes May 3rd, 2015

The meeting was called to order at 12:15 PM.

There is \$15,677.71 in checking and \$12,256.80 in savings.

OLD BUSINESS:

- GPS Update: Tom G. got the map update from the town of Beaver. He is adding the house numbers into the GPS. There is a new download from the GPS Company that Tom will download and implement tomorrow.
- LOSA points were amended by the Town Board last month changing Tier 1 points from 70 down to 65.
- 08/01 OEC is having Blood Pressure readings done in Oconto Falls, any EMT's available that day would be appreciated to assist in Blood Pressures. Tom G will cover for Jerry that day.
- Fundraiser is 07/25 planning is going well, envelope stuffing with be 06/07 at our monthly meeting

Members Comments:

- Sue thanked all members who attended the special meeting last week. It was a beneficial meeting and some issues were resolved.
- Sue asked Tom P. to check with Russ to see how he is doing as he is on leave for a medical issue.

-Ron needs coverage on 05/16 from 7am-7pm

NEW BUSINESS:

- The May schedule was passed around. Tom G. will be on vacation from May 6th at noon through May 9th and needs help with coverage.
- Dave K requested time sheets be available during the meeting for Time On Duty tracking, no concerns voiced over that process at this time.
- May 7th at 10:00, a woman will be training Sue how to apply "Leaders and Scan" with our new LifePak. If any EMT is free during this time, feel free to join Sue. This training will be shared with the rest of the squad at some future time.
- EMTs, please do not send in a run until Sue has a chance to review it. The run should be marked as "in progress". Once the run is sent, if there are mistakes, the town may not be able to be reimbursed for the run.
- Tom G volunteered to make a spreadsheet to assist in inventory to help John K. There will be an initial inventory, and will be done routinely here on out.
- Monthly meeting times will stay the same as nobody voiced any concerns or suggested a new time, however, a possible new training time was suggested. Dave Kussow made a motion that we acquire more maps from Beaver and Bagley to use for training purposes. The motion was seconded by Tom G. and carried.
- Sue has an application for a new member, Eric Beaumia, whom she trained in CPR. He currently lives in Green Bay and is an EMT and a firefighter. He will attend our June meeting.
- New locks for the garage have been ordered and will be installed in the next few weeks. Jerry bought and installed a new lock for the back door
- May 23rd from 8:00 until 2:00 is the CPR Healthcare provider training (full class). The number of the class is 27854 through NWTTC. Anyone interested can register.
- We received \$1300 from the Bag and Bra snowmobile club's fundraiser in appreciation for our work.

Training this month was:
