Meeting called to order at 7:07 Pm

Keith made a motion to accept the minutes as read for June meeting 2nd by Mandi.

Keith made a motion to accept the financial report as read, 2nd by Jon.

Unfinished business:

Tickets for the fire ring at Krackin Shack are half sold, they will push to sell the rest. No update on the tickets from Article 15.

Regulator update, Jon's is at Green Bay Scuba. Dave will drop off the face mask regulators and the pony bottle regulator. He will also pick up a tire inflator and blow nozzle adaptor.

Member comments:

LED lights have been installed inside and outside the building including the flag pole. The hot water heater that was installed did not meet the need so it was returned and a new one will be installed soon.

New Business:

Discussed the call for Lee Lake to help the fire dept but got called off due to a bystander offering the use of his boat.

Discussed the call to help Oconto Falls fire dept the help find a missing child near the water but got called off due to the child being found before our arrival.

Keith will look into setting up training by Chute Pond in moving water.

Oil was changed in the portable generator.

Motion to adjourn meeting made by Jon and 2nd by Rodney.
