Call Review: Discussion was held about a call that we went to near Sleeter/Madson roads where there was no cell service in that area. Any calls need to be made before you get to that area. A discussion was held about there being 2 47th roads. John Kussow stated that there are several roads in the Town of Beaver that end and continue in another area.

Grant Committee: Jamie Waller talked about a need for a grant committee and asked for volunteers. Dennis Langenberg, Jesse Meyer, Gage Radloff and John Kussow volunteered to be on this committee.

Training Update: Deb Agate stated that she talked to the Joy Riders and they are willing to help us with a training. It was decided that March 12, 2023 from 11:00am to 3:00pm was the best time if that works with the Joy Riders.

CPR Classes and Refreshers: Deb Agate is going to set up CPR refresher for April 22, 2023 from 8:00am to 12:00pm (noon) if this time works for the instructor.

Intercepts: A discussion was held about the person that goes to drive the intercept rig taking their radio or cell phone with them in case the call is redirected to a different hospital in route.

NEW BUSINESS MEMBER COMMENTS:

Jamie Waller: There will be a benefit for Chloe Radloff's mom, Lisa on March 11, 2023 at the Bone Yard. Benefit starts at 12:00 (noon). Warning to drivers to not slam on the brakes if there is a deer in the road. It sends the people in the back of the Ambulance flying. If there is a lot of snow in the road, stay closer to the center line so the rear end doesn't get sucked into the ditch.

Next meeting set for April 2, 2023 at 12:00pm (noon)
