### **OLD BUSINESS:**

**Schedule:** Schedule was circulated. Jamie Waller reminded everyone to sign up for a minimum of 16 hours per month including observers.

**Probationary Member Update and Vote:** A motion was made by Sue Kanack to remove Dan Phillips from probationary status to a full time member. Motion was seconded by Chloe Radloff and carried. Welcome Dan!!

**OLD BUSINESS MEMBER COMMENTS:** None.

### **NEW BUSINESS:**

**Call Review:** Jamie Waller thanked everyone that covered when we had 2 units called out. Drivers will have to check with EMT's on whether to turn around or wait when they are stopped by a train.

**CPR Classes and Refreshers:** April 22, 2023 from 8:00am until 12:00pm(noon) is a CPR refresher class. If you need to update your CPR card, contact Deb Agate.

**Safety Discussion:** If the Kedd Jacket alert is activated, contact to dispatch needs to be made on a cell phone not radio.

**License Renewals:** Deb Agate stated that all license renewal applications are now available on the Wisconsin E-Licensing.

### **NEW BUSINESS MEMBER COMMENTS:**

**Gage Radloff:** Brought in 2 bags he ordered for Coleman and they are the wrong color. He wanted to know if we would like to purchase them. Jamie Waller tabled it until she checked on pricing.

**Jamie Waller:** Everyone needs to be doing on scene baseline vitals. Patient family members can ride with the ambulance in the front seat if there is no observer. Minor patients should have a parent/guardian in the ambulance with them.

**Chloe Radloff:** Talked about road construction starting soon from the roundabout to Marinette on highway 64. There will be lane closures so may want to use alternate routes.
