Old Business

Oconto Falls Paramedic Intercept Feedback – first intercept went well. Oconto Falls offered option to drive their rig or only take their paramedic. The EMT's decision is based on patient need. Over all a very professional experience.

Fund Raiser Feedback – The fund raiser went well. The final numbers are not complete but we did about the same as 2023. Thank you to Jim & Amber Kuchenbecker for heading up the fundraiser and all the volunteers that collectively made the event happen.

Please record in the calendar when you are taking vacation so we are aware of coverage short falls.

Member ID Cards – 2 different card layouts were viewed. One is simply to demonstrate membership for possible discounts.
