iv. ACTION ITEMS

1. Dive Team Discussion with Oconto County Sheriff's Office

Sheriff Skarban was present and discussed the future of the Town of Brazeau Dive Team with the board, the county contributes \$5,000 a year for the dive team and gave a one-time contribution for \$50,000 a couple of years ago. The town board has some issues with the meetings and minutes stating that minutes have not been submitted for a year. The sheriff's department likes the relationship the county has with the dive team and is willing to help and have some conversations if needed. The board decided to take no action on this and would like an update at their November board meeting.

2. Ordinances and Enforcements

The board asked the sheriff if the town adopted a wake boat ordinance would the county have a problem enforcing it and they would not. It was discussed to start working on the condition report and draft ordinance. Mike Luebke stated he would help in getting this together. No motion needed just discussion.
