12071 Parkway Road
Pound, WI 54161

7:00 p.m. February 19, 2025
6:30 p.m. Training – AED location and usage

The meeting was called to order at 6:48 by Keith following training. All members present signed in (President: Keith Scray, Garrett Baeten, Chuck Pellmann, Kirk Tetzlaff, Chuck Pellman Patrick Ahlgrim, Angie Ahlgrim and Rodney Holtger) and the Pledge of Allegiance took place.

The minutes from the January meeting were approved as read following a motion by Patrick and a second by Garrett. Keith provided the financial report: We received a check back from the town for \$5460 to cover the cost of the motor. Deposit was made bringing the total balance at Associated Bank to \$30,691.68.

For old business, the Kelly Lake milfoil project was again discussed and interest is still present with the team to help with this project. Keith will provide updates on the process and training as he receives them.

For new business, the motor arrived at Abrams and staff opened the box to verify. It was discovered that the motor that shipped was not the one we ordered. The correct one was re-ordered.

Fire and EMS will be having an Ice Rescue Class March 8th at the Ambulance building. There are two hours of classroom training and then training will take place on the lake. Please let Keith know either way if you will be attending so they have a correct count for participants.

Two quotes were received for replacing the roof on the dive building. (ABC \$5900 and TNT Construction \$5000). Keith provided this information to the Town and suggested that the cost is split 50/50 between the dive team and the Town as discussed by the dive team in the past.

For member comments, Keith passed around Thank You letters from Coleman school students following the presentation there last fall.

The next meeting date of Wednesday, March 19th was set with training to start at 6:30 p.m. and the meeting to follow.

A motion was made by Patrick and seconded by Chuck to adjourn and the motion carried. The meeting was adjourned at 7:24 p.m.
