6:30 p.m. Training with meeting to follow

The meeting was called to order at 6:53 by Keith following training on the boat and motor. All members present signed in (Keith Scray, Patrick Ahlgrim, Angie Ahlgrim, Kirk Tetzlaff and Chuck Pellman) and the Pledge of Allegiance took place.

The minutes from the March meeting were approved as read following a motion by Kirk and a second by Chuck. Keith provided the financial report, indicating that there was a purchase of \$119 made for groceries for at the station.

For old business, the milfoil removal project is still a go, updates will be provided as they are received. Ice went from great to bad very quickly and we were unable to get an ice dive in. It was discussed to set up dives for the first and third Wednesday of each month during the spring and summer to get more dives in.

For new business, we went through equipment in the truck and in the station and determined what equipment donations are still usable and sorted for evaluation by Green Bay Scuba.

The next meeting date was set for Wednesday, May 21st with a training dive prior.

A motion was made by Patrick and seconded by Kirk to adjourn at 7:19. Motion carried.
