5:00 p.m. Training dive with meeting to follow

The meeting was called to order at 7:02 by Keith. All members present signed in (Keith Scray, Luke Semrau, Kirk Tetzlaff, Patrick Ahlgrim and Angie Ahlgrim) and the Pledge of Allegiance took place.

The minutes from the April meeting were approved as read following a motion by Luke and a second by Keith. Keith provided the financial report, We have \$30,667.88 set aside for the boat.

For old business, the Kelly Lake milfoil project is still being planned and discussions will take place following Memorial Day. The new motor was a great investment! We used it on our first training dive of the year and it worked very well. Be advised there is a battery tender on it, be sure to unplug it when you take it for a call or training. Equipment reorganization was discussed: there are two spaces now in the truck, Garrett will be taking one of them. Equipment went to Green Bay Scuba for evaluation and repair as needed.

For new business, TNT will be starting soon on the roof replacement. It will be a white roof with red trim. We will be paying for half of it and the town will cover half. Marinette County will be holding their Breakfast on the Farm on June 22nd from 8 to noon and have requested the dive truck and/or boat with somebody from the team.

The next meeting will be Wednesday, June 18th with a training dive at 5:00 and a meeting to follow.

A motion was made by Keith and seconded by Kirk to adjourn and the motion carried. The meeting was adjourned at 7:43 p.m.
