

Brazeau Fire Department Meeting

7-8-25

Meeting called to order at 7:05pm.

Keith Scray made a motion to approve the agenda, 2nd by Jessie Meyer.

Financial Acct: \$39, 629.62 Fire Department: Money Market: \$34,614.20

Approved by Zoe Brault and 2nd by Roger Cruiz.

Minutes from the last meeting:

Approving minutes with no changes by Gage Radloff, 2nd by Roger Cruiz motion carried.

Fundraiser still has some bills to pay. Couple more donations from picnic.

No car shows this year.

Next fundraiser is the fishing derby in January in Kelly Lake.

Grants: Can apply for firehouse subgrant 20-25 K possible 45k July 10th it opens.

600 applications, next round opens Oct 10th.

SCBA unit first??

Glow Gear grant we cannot get it

WPS, State Farm, OEC, DNR, FEMA already applied for.

1st by Jessie Meyer and 2nd by Pete Schwanke.

From the last training session, John Fetterly talked about pumping dry hydrants, staying farther away and giving more room to work with hoses.

Discussed checking suction hose clamps to watch and tighten them.

Meetings need to communicate as one.

If there are any disagreements, please communicate in meetings. Any member or public can attend any meeting, except closed meetings.

Surface water to arrange training.

Will make plans with dive, fire and ambulance.

Brought up an idea of getting new life jackets before training, possibly from fundraiser account.

Life jackets US coast guard approved. John Fetterly will check into prices on jackets. Hoping to get banana boat with grant.

Gear on scene wear your gear. Helping at ambulance scenes, wear vests. Helpful to know who is on scene.

Get something for those members who don't have vests on or gear. Watch out for one another and be sensible gear wise on calls.

Past calls: 7-8-25 call went well radio signal horrible.

Old business: Public Comments: None

Help on Accident scenes, why gear was brought up so anyone on scene is noticeable and doing scene safety. Give ambulance members space, help when they ask, and wear appropriate gear.

Wooden bench by brush truck, we don't use it. Brought up idea to get rid of it, we will be getting rid of it.

John Fetterly has called in for ISO. Wanting to get trucks set up for 4 inches, especially going on other fire scenes.

All of Oconto County is set up for 4 inches.

Motion to agree to put 4 inches in pipe and put manifold on.

Work on tenders first.

The ISO Rating is at an 8 currently.

1st to accept is Pete Schwankee and 2nd by Roger Cruiz.

Training:

Discussion on whether there is interest in Saturday training. John Fetterly would still like surface water training.

Aug 2nd with ambulance, 8-12 Mass Casualty Training.

Motion to adjourn the meeting by Keith Scray, 2nd by Gage Radloff at 8:14pm.
